From the Director of Agriculture

Letter No A.H 320-1172/43-44 Dy 11.3.44

Submits proposals regarding the opening of a Vety dispensary at Bannur.

Submd.

From a perusal of the papers received it is seen that the local bodies have agreed to pay their quota of initial and recurring charges. Further Mr Patel Chickkaneelegowda has agreed to provide a suited building for the location of the dispensary, till the new building is constructed by the donor for this purpose (vide petitioner's dated 23.9.43 to the Minister R-S-G+P 11 and the Kutchalika enclosed).

"Y"

Generally the new expenditure required for opening a Vety dispensary will be Rs 2860 as per details mentioned

in connection with the opening of Vety dispensary at Iyattur (vide flag "E") Consequently this proposal will involve a net expenditure of Rs 1710/- which has to be met by Govt. The source for meeting this expenditure is not pointed out by the Director. The amount may perhaps be met from the provision in the next year's budget of the Dept under "opening of new Vety Dispensaries" Financial Secrett may be consulted for orders. The A S of Branch may also be consulted.

15-3-44

The establishment of a new veterinary Dispensary at Bannur may be sanctioned in the circumstances. It will be necessary in the results indicated in the Director's report for the present. The District Board concerned and other municipality are agreeable to pay their respective quota of expenditure. Govt may bear their share of the cost from out of the head specified above.
